About Oregon Tackle

Oregon Tackle was created more than thirty-five years ago with a love of fishing and the unique demands of the Northwest fisherman in mind.

Having more than three decades of satisfying the Northwest fishing needs, we have become the experts in the unique and ever-changing demands of the Northwest fishermen.

We've expanded our services to include Industrial Castings, including, but not limited to sash weights, programmers, etc. Call us for more details!

****Ask us about Industrial Casting***

Here at Oregon Tackle, we take great pride in manufacturing all of our products in the Northwest, for the Northwest and beyond.

We're happy to take orders by phone, Facebook, or e-mail!
